

PART I

Μάθημα 1 - Το αλφάβητο

Before you start answering the questions in the workbook have in mind the following:

1. You will be able to recall words faster and easier if you write them down.
If you cannot write them at least read and pronounce them several times.
2. Learn each noun with its article.
3. Memorize the conjugation of the verbs. The person of a verb is indicated by its ending (suffix). In English the verb is preceded by the personal pronoun.
4. In the first five lesson you are asked to write the letters of the alphabet.
Consult the back page of the book which gives directions on how to form the letters.
5. Always read the questions aloud and answer in complete sentences.
